Testimonials about the She WINS Arabia experience

Fund Managers

- 66

Investors can combat biases
together to ensure gender
balanced portfolios and drive
sustainable and inclusive growth.

99 —

-- Amal Enan Lotus Capital

shewing.

Gender lens investing is a powerful tool to build a more inclusive economy through empowering women as entrepreneurs, leaders, employees, and consumers.

-- Wiem Abdel Jaouad ACTAWA Ventures

shewing

Integrating women into our investments is not about telling a more compelling story to our investors. It is about generating real and sustainable impact by creating value that is shared with all our stakeholders.

-- Amina Khalil Ezdehar Management

shewing.

Gender-balanced portfolios matter.

Diversification and equality drive innovation and excellence and generate higher returns.

Silicon Badia

- 66 ----

Gender lens investing offers untapped economic potential.
Our countries cannot afford to shy away from it.

99 -

-- Dhekra Khelifi 216 Capital

shewing

- 66

We are ready and willing to implement new tools and best practices to raise awareness and bridge the gender gap.

99 —

-- Fares Seaidi ANAVA Fund of Funds

shewing

Embedding gender lens
investing into our framework is
a win-win – from attracting
more investors to creating a
better work environment.

-- Dina el-Shenoufy Flat6Labs

shewing

- 66

Gender lens investing can help increase the profitability of funds.

99 —

-- Seddik Cheriet ATKINE Ventures

shewing.

We need to work on closing the finance gap by applying a gender lens investment strategy as well as using more innovative finance instruments. Providing risk capital to SMEs will no doubt result in more job reaction and a better economy.

-- Fida Taher Amam Ventures

shewing

The Gender-Lens Investing Training was beneficial for us to better assess our current practices and explore improvement potential when incorporating gender considerations in our investment operations.

-- Reem Qawasmi Ibtikar Fund

shewins
